Subject: [External] KIU Docket No. 2021-324-W/S

Mr. Butler, My client has reviewed the Notice of Filing and prefiling letter in the above and has a couple of concerns.

First, having compared the percentage rate increases in the notice of hearing, my client has noticed two discrepancies. I have attached a spreadsheet setting out these discrepancies. Out of an abundance of caution, I would ask whether the Clerk would prefer to change its Notice of Filing in these two respects or whether we are authorized to proceed with the Notice of Filing as provided.

Second, while the testimony prefiling dates provided conform to the revisions proposed by the ORS and consented to by the parties, I note that the prefiling deadlines were initially set as the result of a Commission order. While I may have overlooked and order authorizing the revised prefiling deadlines, again, out of an abundance of caution, I would ask for authority to comply with the deadlines in the prefiling letter.

Please let me hear from you. Thanks.
